### A Proposed Road.

A paoposed wagon road to be made between Hazel Green and Helechawa. The proposed road shall be a good, smooth, graded wagon-road to extend from the corner of John M. Rose & Sons' store, on Main Street, Hazel Green, and extend to the river at Neola.

The road throughout from beginning to end shall be graded up in an oval shape, and of sufficient height to drain well; It shall have a ditch on either side sufficient to receive the water from the road, and that which may flow in from the outside; The said ditches shall be so made that they will readily drain all water from the road-way.

The tops of hills and high places shall be cut down as far as practical and the dirt deposited in the low places.

Culverts and bridges made of good timbers, covered with good two inch oak planks shall be placed across the road at intervals; These culverts and bridges shall be 16 feet in length, and of sufficient number and size to conduct the water from the road-way.

Rocky hill will be made smooth with an even rise, and broadened so that teams can pass on it. If in event the County should open up a new road around Rocky hill the Road company will make said new road, same as specified above for the other part of the road instead of the abandoned part.

The same kind of work will be done on the Daysboro hill as on the Rocky hill, or in the event a new road should be opened up around the hill, the said new road will be graded up the same as specified for the other part of the road.

The Road Co. shall keep the road in condition and repair for one year after the completion of said road.

Work shall be begun on the road as soon as sufficient funds are pledged to insure the amount necessary for the completion of the said road.

Twenty-five per cent. of the amount pledged towards the making of such a road shall be paid to the Road Co. upon the completion of one half the work, 50% of the amount pledged shall be paid upon the completion of the road, and the remainder, one year from the date of the completion of the road.

### He Advertised.

And it came to pass that after he had advertised his goods, there came unto him great multitudes from all the regions round about and did buy of him. And when his competitors saw it they marveled among themselves, saying: "How be it that this man is busy while we loaf idly about our doors all day?" And he spake unto them saying: In this fast age of push and rustle, it is easier for a camel to enter the eye of a needle than for a man to flourish in business without advertising.

Bent Little, who has been in the U. S. coast artillery for some years was discharged a few weeks since and started for home. But he was taken suddenly ill at Cincinnati and is now there in the hospital, though he expects to be home in a few days.

Rev. H. J. Derthick and family returned Friday from Ann Arbor, Mich., where they have been spending the summer.

### A Card.

To the Voters of Wolfe County:

Having been solicited by Democrats from the different precincts of the county to make the race for Sheriff for the next term, I take this method of announcing myself a candidate for said office subject to the will and action of the Democratic primary to be held some time in 1908. This is the first time that I have ever announced as a candidate for any office, but ever since I became twenty-one years of age have been found in the ranks of the party fighting for the success of the principles of the party, which are dear to the heart of every true Democrat, and when the nominees have been selected by the party I have spent both my time and money in securing their election. I ask all voters to consider my candidacy, and if I am nominated and elected I will devote my time and attention to the duties of said office, and that the door of said office will be open during all business hours of the day to transact any business that may come to said office. Soliciting your support, and with best wishes for the "Great Common People," I remain yours, for success,

ROY SMITH.

### 10,000 Telegraphers Needed.

Smith's Business College can qualify you for a good Telegraphic position, cheap. Main Railroad wires in College. Practical teachers. Farm boys and others who received $20 per month before attending this college now receive $65.00 and $75.00. The past month officials of great railroads have encourged and written us for hundreds of our graduates. For full particulars, address, Wilbur R. Smith, Lexington, Ky.

D. C. Miller, Jr., has again concluded to extend his cut price sale for another week, and requests us to so announce. He says printers' ink is the best card he can play, and to judge from the custom that has come to him in a few weeks no one will doubt his assertion. The ad is left out this week but same prices will run as heretofore.

Several of our friends have inquired of us where they could buy a small blue grass farm and we now have it. Read the ad "For Sale," and write or call on Mr. Pigg at Athens, Ky., at once, as this wont stay on the market any longer than Pat stayed in the army.

### Thousands Have Kidney Trouble and Never Suspect it.

**Prevalency of Kidney Disease.**

Most people do not realize the alarming increase and remarkable prevalency of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, *who content themselves with doctoring the effects*, while the *original disease* undermines the system.

**What To Do.**

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

## Neuralgia And Other Pain.

All pain in any disease is nerve pain, the result of a turbulent condition of the nerves.

The stabbing, lacerating, darting, burning, agonizing pain that comes from the prominent nerve branches, or sensory nerves, is neuralgia, and is the "big brother" of all the other pains.

Dr. Miles' Anti-Pain Pills rarely ever fail to relieve these pains by soothing these larger nerves, and restoring their tranquility.

Dr. Miles' Anti-Pain Pills leave no bad after-effects, and are a reliable remedy for every kind of pain, such as headache, backache, stomachache, sciatica, rheumatism and neuralgia.

They also relieve Dizziness, Sleeplessness, Nervousness, Car-Sickness, and Distress after eating.

"For many years I have been a constant sufferer from neuralgia and headache, and have never been able to obtain any relief from various headache powders and capsules, until I tried Dr. Miles' Anti-Pain Pills. They always cure my headache in five minutes time." FRED R. SWINGLEY, Cashier 1st Nat. Bank, Atkinson, Neb.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk.

## ANNOUNCEMENTS.

**DYER.**—We are authorized to announce Geo. P. Dyer as a candidate for the office of Jailer of Wolfe County, subject to the action of the Democratic party.

### The Mountain Eagle.

The Mountain Eagle, a Republican paper, is the latest candidate for public favor in newspaperdom. It is published at Whitesburg, Letcher county, and we note with pleasure that our whilom friend, Spence McAfee, the globe trotter, is announced as publisher, and this will insure its typographical appearance to be up-to-date. The editor is N. W. Webb, and he thus compliments his publisher:

"The Eagle was lucky in securing G. S. McAfee, ye old-time printer, who gets out our initial number. He has years of experience as a printer. He says his alma mater in the printing business is Nicholasville, Ky., he having worked on the Jessamine Journal on its initial number 30 years ago. He has traveled much, which adds much to his store of general information in the printing business, having worked on the Arizona Kicker, the Johnson County (Ten.) Warhoop, the Bay City (Mich.) Growler, and 'rushed the growler,' and other papers of note. He knows a p. from a q. when he meets one in the road."

### Should Be In Every Home.

The local newspaper should be found in every home. No children should grow up ignorant who can be taught to appreciate the home paper. It is said to be the stepping stone of intelligence in all those matters not to be found in books. Give your children a foreign paper which contains not a word about any person, place or thing, which they saw or perhaps ever heard of, and how could you expect them to become interested. But let them have the home paper and read of people whom they meet and of the places which they are familiar and soon an interest is awakened which increases with the arrival of the local paper. Thus a habit of reading is formed and these children will read the papers all their lives and become intelligent men and women, a credit to their ancestors, strong in the knowledge of the world as it is today.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give $100 for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c.

Take Hall's Family Pills for constipation.

# For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

## Have Returned Home.

Mr. and Mrs. W. T. Caskey, who have been visiting friends and relatives in Ohio, Illinois, Missouri, and Iowa for three months, returned home Wednesday of last week. Mr. Caskey's sister Mrs. Wells, of Iowa, Mrs. Slimp, a sister of Mrs. Caskey, of Neosho, Mo., and J. Miles Murphy, of Iowa, accompanied them home to visit relatives and friends in this vicinity. And parenthetically we arise to observe that the two ladies in question might entertain a matrimonial proposition. Mind, we don't say they are on the market to capture a man, but if the right man should propose to either, he would probably secure a valuable helpmate for life, and find her a joy forever. Faint heart, remember, never won fair lady.

## A Humane Appeal.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 W. Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's reccommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness and phthisic, stops hemorrhages of the lungs and builds them up. Guaranteed by all the leading dealers of Wolfe County. 50¢ and $1.00. Trial bottle free.

## Just So—Never Get Mad.

A subscriber once received a dun through the postoffice, and it made him mad. He went to the editor about it, and the editor showed him a few duns of his own—one for paper, one for type and one for fuel and several others. "Now," said the editor, "I didn't get mad when these came because I knew that all I had to do was to ask several reliable gentleman like you to come and help me out, and then I could settle all of them." When the subscriber saw how it was he relented, paid up, and renewed for another year.

## Health in the Canal Zone.

The high wages paid makes it a mighty temptation to our young artisians to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained however by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing that they are safe from malarious influence with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by all leading dealers of Wolfe County, 50¢.

## No, We Never Did.

Yesterday we were asked if we ever saw a baldheaded woman. We answered "No," we never did, nor did we ever see a woman waltzing around town in her shirt sleeves with a cigar between her teeth, and running into every saloon she saw. We have never seen a woman go fishing with a bottle in her pocket, sit on the damp ground all day and come home drunk at night. Nor have we ever seen a woman yank off her coat and say she could lick any man in town. God bless her, she's not built that way.

Speaking on the 9th.

## Now He's Rich.

He didn't have a dollar; he didn't have a dime. His clothes and shoes were looking just as though they'd served their time. He didn't try to kill himself to dodge misfortune's whacks. Instead, he got some ashes and filled five dozen sacks. Then next he begged a dollar. In the paper in the morn he advertised tin polish that would put the sun to scorn. He kept on advertising, and, just now, suffice to say, he's out in California at his cottage on the bay.

## A Wise Girl.

A modern dude with narrow striped clothes, saddle colored shoes, a loud necktie, hair parted over his nose, and smoking a cigarette, addressed his best girl thus: "If you was me and I was you, what would you do?" She hesitatingly said with a smile: "I would take off that hideous tie, put that cigarette in the stove, part my hair on the side, then pray to God for brains."

## SPECIAL PROGRAMS

### Are Arranged For Every Day and Night.

### AT THE KENTUCKY STATE FAIR

There Will Be Something Doing All the Time—Interesting and Instructive Features.

Are you a citizen of Kentucky, a member of any fraternal organization, a school child, a citizen of Southern Indiana, a German-American, an Irish-American, a laborer, an editor, or a militiaman? If so, you are specially provided for in the list of special nights and special days arranged in the program of the Kentucky State Fair to be held in Louisville Sept. 16 to 21. If you are not to be included in any of these classes, you will be taken care of on Everybody's Day. The State Fair management has arranged most interesting special days and special nights. These are enumerated as follows:

SPECIAL DAYS.

COL. W. W. HITE,
President Louisville Board of Trade,
General Chairman.

MONDAY, SEPT. 16—SCHOOL CHILDREN'S DAY.
C. B. Nordeman, Member Louisville School Board, Chairman.

TUESDAY, SEPT. 17—FRATERNAL DAY.
R. S. Brown, President Louisville Commercial Club, Chairman.

WEDNESDAY, SEPT. 18—LOUISVILLE DAY.
Geo. G. Fetter, Director Louisville Board of Trade, Chairman.

THURSDAY, SEPT. 19—KENTUCKY DAY.
Lew B. Brown of Harrodsburg, President Kentucky Press Association, Chairman.

FRIDAY, SEPT. 20—SOUTHERN INDIANA DAY.
Adam Heimberger, President New Albany Commercial Club, Chairman.

SATURDAY, SEPT. 21—EVERYBODY'S DAY.
Everybody, Chairman.

SPECIAL NIGHTS.

J. V. BECKMANN,
Manager Retail Merchants' Association, General Chairman.

MONDAY, SEPT. 16—GERMAN-AMERICAN NIGHT.
F. W. Keisker, Chairman.

TUESDAY, SEPT. 17—IRISH-AMERICAN NIGHT.
Thos. McCabe, Chairman.

WEDNESDAY, SEPT. 18—LABOR NIGHT.
John Young, President Louisville Federation of Labor, Chairman.

THURSDAY, SEPT. 19—PRESS NIGHT.
Young E. Allison, Chairman.

FRIDAY, SEPT. 20—MILITARY NIGHT.
Col. W. B. Haldeman, Colonel Commanding First Kentucky Regiment, Chairman.

SATURDAY, SEPT. 21—FAREWELL NIGHT.
Smith T. Bailey, Chairman.

Of all of these, Kentucky Day is expected to be the banner one of the great State Fair week. Mr. Brown, as President of the Kentucky Press Association, has named as his associates on the Kentucky Day Committee many of the State's most prominent newspaper men. This committee will arrange several big excursions to be run into Louisville on that day.

On the night of Kentucky Day, special attention is to be given to the editors, as the name of the night indicates. Colonel Young E. Allison, than whom there is no better known editor in the state, is chairman of Press Night, and will see that members of the tripod are handled in a way that will make their visit an oasis in the desert of pencil-pushing life.

One of the most beautiful sights of the Fair will be that of ten thousand school children waving flags on the grand stand the opening day. A special rate of ten cents for admission has been made for all school children on this date.

On Fraternal Day lodges and societies of every character will have an inning. A big tent is to be provided for all organizations taking part, and here visitors may be received, welcomed and registered. Col. Brown is planning some interesting drills by uniform ranks of different organizations.

Mr. Heimberger is calling upon the commercial organizations of Southern Indiana, as well as the editors of that section, to make Southern Indiana Day one that will be a credit to that progressive section.

The German-Americans and Irish-Americans will fittingly celebrate on the two special nights named in their honor, while Wednesday evening will give to the laboring element an excellent chance to show its strength.

There will be no night, however, more attractive than that given over to military organizations. It is planned to have an exhibition drill and dress parade on the track in front of the grand stand on that evening. The glare of the arc lights and the glow of the incandescent, upon bayonets, epaulets and buttons, will present a most attractive picture.

Everybody's Day is for everybody who could not come on any other day, as well as for everybody who has come on every other day. It will have an excellent finale in the evening, when Chairman Bailey has planned a gorgeous program.

The avenue, both sides of which are to be lined with amusements secured for the State Fair, has been dubbed "The Stretch." It will have the biggest and best amusement features of the year, the first under the wire.

## ROUND TRIP FOR HALF FARE

### Railroads Announce the Lowest Rates For Kentucky State Fair.

With seventeen big exhibition departments, amusement features that are the best in the country, music that cannot be excelled, and a speed program worthy of special mention, the State Fair at Louisville, Sept. 16th to 21st, should be the largest attended gathering in the history of Kentucky. The only one thing needed to make the condition ideal was low railroad rates and this has now been fixed. The railroads in Kentucky have announced a rate of one fare plus twenty-five cents for the round trip, tickets going on sale the Saturday before Fair week, and good returning the Monday following Fair week. Tickets in Indiana will be sold on the Kentucky basis of one and a third fares, inasmuch as the regular rate in Indiana is two cents a mile.

## CAPTIVE BALLOON ENGAGED.

To be strictly up to date and cater to the minds of all, the Kentucky State Fair management has not only concluded negotiations for a passenger-carrying airship and balloon races during the week of Sept. 16th at Louisville, but has contracted for a captive balloon, which is to carry passengers in the air every ten minutes. This was one of the sensations of the St. Louis Exposition, and will undoubtedly prove a good drawing card at State Fair, the week of Sept. 16.

For the first time in the history of a State Fair in Kentucky, a handsome award is to be made to the county whose exhibitors receive the largest number of ribbons. This is to be in the nature of a sterling silver plate handsomely engraved, valued at $200. It is to be placed, for three months after the Fair, in the custody of the judge of the county which receives it. Later it is to be hung on the walls of the old capitol, and, ultimately, in a room in the new capitol.
